**To the Future College Head Baseball Coach of Nolan Heald (CF 2020 Grad):**

Nolan Heald attended our 2018 GO 4 THE SHOW winter mini-camp. This was a FREE camp with a FREE Evaluation and a FREE Player Profile setup for each player attending as part of our tryouts for an affiliated elite Fall 18 Open team (SOUTHWEST SHOWCASE). This SWSC team played colleges and is defending 2019 Oklahoma 18U Fall State Champions. Nolan as a sophomore at that time produced a very solid 32 MLB Composite Score, projected now 40+ as a SR now bigger, stronger and faster.

Nolan played in the 2019 High School 6A State Championship game at ONEOK Field in Tulsa, OK for Broken Arrow High School under Head Coach Shannon Dobson. Nolan plays for Summer Travel team with the 2019 Team Akadema 18 Open ranked #2 in the nation coached by Randy Newton. Nolan in amateur competitive play was consistently on champion caliber teams.

Nolan is a fierce competitor, strong offensive and defensive game changer player with plus Speed and great range. I have personally witnessed Nolan playing at Oral Roberts University singlehandedly being responsible for all his team's run production with multi-hit (3 hits, 2 RBI's) and multi-stolen bases clear cut MVP of game and making all the plays in CF, including web gem diving catches. Nolan's video shows game action including his MVP performance at ORU and the rest of his power tools.

Colleges the work ethic of Nolan is highly noteworthy. I have personally witnessed Nolan getting hot on field getting sick taking a 5 minute breather and water break then getting right back in the action and performing at a high level Michael Jordan-like. Nolan is a warrior on the field highly intelligent and instinctive making quick aggressive positive outcome decisions that are a major plus in his overall game.

Nolan is a very solid CF with range making difficult rangy plays look easy getting great jumps reads the ball very well off the bat. Offensively, Nolan has great plate coverage hits the ball to all fields and is a tough out.

Beyond Nolan's pure talent, his story gets even better. Nolan is a selfless teammate and he has regularly volunteered in the community as his High School HC Shannon Dobson states in his recommendation letter. Nolan is that team player that always helps get the last out team player's gear to their spot on the field and he never complains, highly coachable and intelligent excellent signal understanding and executes well in bunting situations. As a Lefty, Nolan gets out of the box quickly and with his plus speed, he beats out many balls on the infield.

GO 4 THE SHOW highly recommends Nolan Heald to strengthen your college program on and off the field. Nolan ranks in the Top 25% of the 60 plus prospects to date we have helped obtain college scholarships.

Please feel free to contact me in regards to anything you may wish to discuss on Nolan Heald.

Sincerely,

Brent Dobbs
