| <b>COMMENTS:</b>   |
| Arm Velo Max = 76 mph. Bat Exit Velo Max = 82 mph. Speed Top 60-yr dash time of 6.75. Very Coachable/Respectful. Room to improve in Arm strength but overall solid prospect with strong 3.64 GPA. Nolan will cover a lot of ground in OF and put ball in play offensively. 4 Tool prospect with growth SR year will be high on college radar. Nolan is a selfless player that will be happy to help Team however needed. As Lefty bunting with speed he can be lethal in bunting situations. |
