

# Owasso Public Schools

---

February 20, 2019

To whom it may concern

I have know Colton Mullinax since he was 5 years old. He has played baseball with me from the age of 6 until he was 15.

Colton is #2 on the depth chart for the 2019 Owasso High School varsity baseball team at 2nd base, as a Senior behind Jeff Hammond (who is a D1 commit to Kansas University, the Jayhawks). Colton would be starting 2B for most High Schools but Owasso is a perennial National Power in High School rankings with most of their team all D1 commits in the starting lineup. Many of Owasso's 2nd string players would be standouts at other high schools and many have gone on to be strong college and professional players that did not start for their high school. Colton fits that mold a small to middle-sized college program is going to love him already exposed intersquad practices to the likes of Nate Woglemuth throwing 94+mph slated to be and early MLB draft choice in the 2020 draft. Colton is a true utility player Diamond in the ruff will be a major asset to your college.

Colton has always been a very versatile player. He can pitch, play shortstop, 2nd, 3rd, and is great in the outfield. Offensively, Colton has the ability to hit the ball all over the field, from bunting to hitting behind the runners. Defensively, Colton has great hands so he gets rid of the ball quickly. He also has a strong arm to make the throws necessary to throw runners out either from the infield or outfield.

Colton is also a great teammate and an outstanding citizen.

If you have any questions concerning anything about Colton, please call me or email me. I would be happy to tell you about all of his assets.

Sincerely,

Mike Rose
